I suggest candidates pay \$1000 to get on limited voting backup ballot in own and one add'l district. Primary winners free own and one add'l. Extra districts \$1000 each. With this structure voters can let Norfolk & Richmond share or have separate districts. They can flip/flop at every election.

Please mail me a copy or your price for a copy of the  
docket sheets in your case: Veasey v Perry 2:13cv193  
subsequent to Oct 15 14.

My suggestion of a limited voting backup ballot where there  
may be problems with pay-to-play primary winners may get  
some attention in cases in Virginia (Personhuballah v Alcorn)  
and Louisiana (Terrebonne Parish NAACP v Jindal 3:14cv69).

2/29/16 187 First MTN for Leave to Intervene now pending  
before the USMJ. (What is USMJ)

1/29/16 185 Pretrial Conference set for 12/15/16.

There is plenty of time for 3:14cv69 to consider my suggestion  
of a limited voting backup ballot which may promote good  
behavior by winners and inhibit tyranny mayhem & polarization.
